8:30-10 AM - Police station, getting the weekly report.

Dottie was over at
McDonnell's
having coffee
until about 9:30
and so I was
late in meeting
HCLRP in front
of CCH. I was to
meet her at about
9:30 and did
not do so until
about 9:55 AM.

We drove to
Scranton and I

picked up the Xerox copies I was having printed at P.O. on Mulberry - (#104.20) - - 228 copies of the promotional piece for Northeastern Pennsylvania Genealogical and Local History Reprints, Volumes I and II (microfilm edition). HCRP had 200 copies of the invoice made that I produced for her about a year ago. I was surprised to see that she uses it. HCRP and I then went to Viewmont Mall where she had a few errands to run - - Health Food store, Hickory Farms. On the way back up the highway, we stopped, at my suggestion, at a vegetable / fruit stand and I bought some potatoes. HCRP and I then went to the Home and did some more shopping. I was dropped off here before noon. At the farmhouse & motor, the contractor who is putting up the controversial wall, Tom Clark, introduced himself to me and remarked on how much he enjoyed reading my articles in the NEWS. What a pleasant way to start the day. Chief Burrell is very upset about the "wall."
